DEPARTMENT OF COMPUTER ENGINEERING

PRINCIPAL'S MESSAGE

Er. Vinita Arya

I am pleased to inform you that department of Computer Engineering is publishing its newsletter. This newsletter will be very useful to all our stakeholders. I feel it will help to have appropriate communication among the all stakeholders. The aim of publishing this newsletter is to share the activities performed by department and share progress of department. I convey my best wishes for this newsletter and hope contribution of all for the growth of the department and institute simultaneously.

HOD's MESSAGE

Mr. Pankaj Pathik

The Computer Engineering Department newsletter is a platform for sharing educational information, activities and events. I hope that the newsletter will provide useful and relevant information. It is the intent of the department to make it semi-annual publication to keep in touch with the departmental activities and achievements.

VISION

To be the centre of excellence to provide high quality technical Education, training to women and support industry & Community through empowerment of Women leading to the growth of economy.

MISSION OF THE INSTITUTE

M1	<i>To enhance the technical skills in women by providing state-of-the-art facilities.</i>
M2	<i>To produce the diploma graduates trained in Technical and Professional skills with Entrepreneurial spirit through conducive environment.</i>
M3	<i>To encourage ethical values and leadership abilities in diploma graduates which contribute towards the growth of the society.</i>

DEPARTMENT OF COMPUTER ENGINEERING

EVENTS

Highlights the need for planting and tending of trees as one of the best ways to prevent global warming and reduce pollution. We organized Van Mahotsav with the aim of achieving the Indian Government's vision and national campaign of 'Van Mahotsav'.

On October 2, the birth anniversary of Mahatma Gandhi our institute took initiative to make people aware about the campaign on 16 April to 20 April 2019.

Disaster management in India refers to conservation of lives and property during a natural and man-made disaster. A mock drill on Fire disaster management was held on 11/10/2019.

कड़ाघाट पोलीटेक्निक में फिट इंडिया मूवमेंट का आगाज

Fit India initiative is the need of the hour and will take the country towards a healthier future. To create awareness about good health, we organized a pledge ceremony, all faculty and students took the oath

DEPARTMENT OF COMPUTER ENGINEERING

"Industrial visits provide an excellent opportunity for the students to interact with industries and know more about industrial environment." Industrial visits are arranged by department for the students with an objective of providing them functional opportunity in different sectors which also helps to combine theoretical knowledge with industrial knowledge.

Guest Lecture is a way of enriching our students with the latest updates of the Industries and Technicalities. The Students are bestowed with knowledge about Industry needs, latest technical updates, Avenues for Higher studies etc. Department has initiated the process of organizing expert talk on recent trends and technologies in computer Engineering.
