

GOVT. POLYTECHNIC FOR WOMEN

KANDAGHAT, DISTT. SOLAN (H.P.)

DEPARTMENT OF COMPUTER ENGINEERING

VISION

To be the centre of excellence in Computer Engineering to provide high quality technical education, training to women and support industry & community through empowerment of women

MISSION

M1	To enhance the technical skills in women by providing state-of-the-art facilities in the field of Computer Engineering.
M2	To produce the Computer Engineering diploma graduates trained in design, implementation and maintenance of computational systems through competitive curriculum in conducive environment.
M3	To encourage ethical values and leadership abilities in computer engineering students which contribute towards the growth of the society.

PROGRAM EDUCATIONAL OBJECTIVES

PEO1	Successfully practice computer engineering to serve state and regional industries, government agencies, or national and international industries.
PEO2	To apply the knowledge of Computer Engineering to analyze and solve the problems related to business applications.
PEO3	Achieve personal and professional success with awareness and commitment to their ethical and social responsibilities, both as individuals and in team environments.
PEO4	Maintain and improve their technical competence through lifelong learning, including entering and succeeding in an advanced degree program in a field such as engineering, science, or business.
